PAVLO MARTYSHEV

Kyiv School of Economics

pmartyshev@kse.org.ua

Ukraine

Pavlo specializes in applied research of food markets and agricultural policy, econometric modeling of agricultural prices. He received a Master's degree in agricultural economics from the Kyiv National Economic University named after Vadym Hetman (2015) and a PhD degree at the Institute of Economics and Forecasting of the National Academy of Sciences of Ukraine (2020). Pavlo joined Kyiv School of Economics in 2018 as a researcher of the UaFoodTrade project, organized in partnership with Leibniz Institute of Agricultural Development in Central and Eastern Europe (Halle, Germany). Pavlo worked as a grain market analyst at Offre & Demande Agricole and Argus Media companies. In addition, he participated in consulting projects organized by the World Bank and the German-Ukrainian Agricultural Policy Dialogue.
