KPIs for 2021

Consider

Dynamic working environment

Short-term courses

Fundraising

Establish

Strategy Committee: effort on KSE organization and core team

Strategy Committee: effort on new medium (5 years) and long (25 years) term strategy (university)

Fundraising Committee: revise fundraising strategy

Strategy Committee: develop short-term courses concept

Why?

Young people would like to be financially independent, intellectually mature, professionally successful, and socially influential

What?

What? Train professionals with hard and soft skills required to succeed in growing industries of the new economy. Provide liberal arts education for young people to become influential and ethical citizens

Who?

- 160+ EIT score in ENG and Math
- Family income above average or education is among highest family priorities
- 100-150 students for the first enrollment, 25-50 per group
- 600+ student body in four years

How?

IV year	Capstone projects in Public policy, Management and Data Science		
	Economics	Management	IT
III year	Electives in Public policy, Management and Data Science		
	Economics	Management	IT
II year	Economics	Management	IT
I year	Undergraduate fundamentals in Humanities, Social Sciences, Mathematics		

Thank you!
