Kyiv School of Economics

aburak@kse.org.ua

Ukraine

Artur Burak is an aspiring researcher in the field of economic analysis, having graduated from the Kyiv School of Economics with a degree in business and financial economics. Artur worked on cleaning and analyzing data from the World Bank's Business Pulse survey for Ukraine in 2022-23, contributing to the development of the new version of the WFP Digital Logistics Opportunity Assessment.

Arthur's areas of research include collecting data on the budgets of united territorial communities, and conducting fact-checks on critical coverage of the Russian-Ukrainian war.
