

Team lead /efficiency specialist

WHO WE ARE AND WHAT WE DO

Kyiv School of Economics (KSE Group) is a group of companies encompassing a non-profit LLC "Kyiv School of Economics" established in the District of Columbia in the US, Ukrainian private university, charitable fund, business school and a think tank/NGO.

Having a team of 60+ experts and consultants, KSE Institute is one of the largest Ukrainian think tanks. It specializes in analytics, consulting, research, develops strategies and recommendations for supporting a strong and innovative economy of Ukraine.

Over the last 5 KSE implemented more than 100 research and consulting and technical assistance projects in these domains, an average of 20 per year. We also implement 10-15 pro-bono projects every year.

This year within the Multi Year Resilience Strategy of Ukraine 2024-25 KSE set up an efficiency office that will help Ministry of Education and its partners to provide final beneficiaries of the program with electronic devices and assure smooth running and efficiency of this process. For that we are looking for leader who could inspire the team and deliver results required.

Among the partner organizations with whom you will work with: Ministry of Education of Ukraine, Education Cannot Wait, Unicef, Worldbank and others.
